ORDER

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on November 14, 1996 established this case to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Jackson Purchase Electric Cooperative Corporation ("Jackson Purchase") for the two years ended October 31, 1996.

As part of this review, the Commission ordered Jackson Purchase to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Jackson Purchase has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

 Jackson Purchase has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056. 2. Big Rivers, the wholesale supplier of Jackson Purchase, has been authorized to retain its present base fuel cost of 12.62 mills per KWH; therefore, no change is required to Jackson Purchase's base fuel cost.¹

IT IS THEREFORE ORDERED that the charges and credits applied by Jackson Purchase through the FAC for the period of November 1, 1994 to October 31, 1996 be and they hereby are approved.
